DETAILS

The Organizing Committee is offering assistance should you need a Letter of Invitation to facilitate the visa application process or to show proof of attendance. You are required to register for the meeting before we can send a letter. Expect a reply within approximately 24 hours

Letters of invitation will be sent via EMAIL ONLY. A hard copy of the letter will not be mailed. According to the U.S. State Department, an electronic letter should be acceptable for visa purposes. In the rare case where the U.S. Embassy insists on having a hard copy, we can mail one, upon request.
